Description

3M N95 Face Mask is a particulate respirator and surgical mask that has comfortable inner materials and helps provide respiratory protection against certain airborne particles. The individually packaged flat fold design of 3M N95 Face Mask allows for convenient storage prior to use.

Features:

- NIOSH Approved: N95
- FDA Cleared for use as a surgical mask
- Fluid resistant and disposable
- Flat-fold design and individual packaging
- Embossed top panel helps reduce eyewear fogging
- Sculpted top panel allows more room for eyewear
- Innovative chin tab for ease of positioning, donning, adjustment
