Description

**Description:**

Aderma Exomega DEFI Emollient Cream is a sterile emollient care for atopic and very dry skins. Its formula moisturises, protects and durably reduces skin dryness.

It calms irritation and reactions of skin thanks to a unique and exclusive plant active ingredient: Rhealba Oat plantlets, and helps restore the cutaneous barrier thanks to filaxerine (combination of essential fatty acids omega 6 and D vitamin).

DEFI: Dispositif Exclusif Formule Intacte (Exclusive System with Intact Formula).

This unique combination, resulting from Pierre Fabre research, guarantees a sterile and protected care all along the use.

0% paraben, 0% preservative, 0% fragrance. Hypoallergenic.

**Use:**

Apply once to twice a day to dry zones of face and body.
