Description

AB SLIM cellulose is a natural product, free from chemicals or unnatural substances.

- Ab Slim: Burns fat and cellulite, turns stubborn fat into energy and expels sediments out of the body.
- Ab Slim: Regulates the appetite and controls it so that your body consumes only the food it needs.
- Ab Slim: As for those who suffer from overeating and indigestion, AB SLIM, when used,
- Ab Slim: Sgnificantly and automatically solves the problems of bloating, gas and upset stomach; and you will feel the difference immediately!
- Ab Slim: Activates the movement of the intestine which helps flush waste out of the body.
- Ab Slim: Prevents the absorption of fat from food, in addition to preventing constipation in the stomach, which is the cause of many diseases and headaches.
- Ab Slim: Sculpts your body and shows the beauty of muscles, thus giving you a thin shape once the fat and limpness removed.

AB Slim Cellulose Capsule

- Ab Slim: Removes blackness around the eyes and purifies the facial skin by flushing out from the stomach toxins and sediments that cause such symptoms.

Use:

Take one capsule per day half an hour before the main meal with a large cup of water.

As for those who need to lose weight rapidly and in a short period of time, they could take another capsule half an hour before dinner.
