Description

Description:

Lose weight , Look Great !

Acai Boost 4G

Boosts metabolism and weight loss

Breaks down body fat

Cleans out harmful toxins

Restores healthy younger skin Active Ingredients: Garcina: Used by athletes for many years, this amazing natural extract reduces appetite and cravings, and stops fat formation in the body.

Green Coffee: Most studied weight loss supplement. Rich in unique chlorogenic acids, which reduce sugar absorption, block fat formation and

increase metabolism.

Ginger: A natural anti-inflammatory that was shown to reduce appetite naturally. It also has a remarkable thermogenic effect that increases fat burning.

Green Tea: Rich in antioxidants called catechins, it is one of the healthiest plants of the planet. Catechins have been shown to induce fat breakdown, and increase fat burning. Green tea helps you lose fat, especially the harmful abdominal flab.

Directions:

Take 2 Capsules in the morning with breakfast and a full glass of water. For faster results, you can take another 2 capsules at lunch time.
