Description

Description:

DAYCLEAR remarkably lighten dark skin, reduces blemishes, unifies and illuminates the complexion, promotes a fine skin texture, evens skin tone and helps fade pigmented spots. Dayclear works by combining the well documented properties of the most beneficial and safest active ingredients. Most of the active ingredients in the formula are derived from natural extracts such as Mulberry, Licorice and Bearberry plants. Paraben free

Use:

Wash and dry skin. Apply an even layer over the affected area. Massage thoroughly until serum is absorbed completely into the skin. As with all skin care products, please consult with a dermatologist prior to use if you have any underlying medical conditions or general concerns. Long term treatments with any product should be monitored by a medical professional.
