Description

Description:

Skin Renewal cream is a gentle lightweight peeling cream perfect for all users as it produces excellent immediate results at a moderate concentration. This peel has a brightening, lightening, and tightening effect. Featuring the latest in AHA technology, Accuracy Skin Renewal cream provides superior anti-aging benefits to any complexion in need of rejuvenation and renewal. The cream's key ingredient is AHA combined with a potent antioxidant and a powerful whitening peptide. Skin Renewal cream transforms aging tired skin to a soft radiant clean, rejuvenated and reduces the appearance of fine lines and wrinkles. Using our complete ACCURACY products will help get faster and expedite the natural regeneration of healthy skin in an even and non-irritating way.

The cream is an effective therapy that treats the strongest skin-damage

- Wrinkles
- Premature aging
- Uneven skin tone

- Acne scars
- Hyper-pigmentation
- Visible and clogged pores

- Discoloration of sensitive skin
- Brightening – Antioxidant
- For sensitive – oily/mixed skin

Use:

Wash and dry skin. Apply an even layer over the affected area. The cream is absorbed completely and directly into the skin. As with all skin care products, please consult with a dermatologist prior to use if you have any underlying medical conditions or general concerns. Long term treatments with any product should be monitored by a medical professional. Use once daily or as directed by a physician.
