Description

Description:

Active GOLD COLLAGEN® is a liquid food supplement formulated for people (Men & Women) with more active lifestyles who are looking to fight the appearance of signs of ageing or care for muscles and joints.

Scientifically formulated with Peptan®, a bioavailable form of hydrolysed collagen and boosted with glucosamine, hyaluronic acid and L-carnitine, Active GOLD COLLAGEN® works from within to help replenish and renew collagen containing connective tissue and to increase hydration and elasticity which can be affected by time and more active lifestyles.

With daily and consecutive use, it promotes youth and well-being and helps maintain muscle and joint comfort. Skin will become more hydrated (+28% in 8 weeks) and wrinkles will appear reduced (-26% in 12 weeks).

- Promotes younger looking skin
- Help support healthy looking hair
- Improves skin hydration and suppleness
- Helps support muscles and joints

Contains: NO sugars, NO artificial sweeteners, NO artificial preservatives, NO artificial colours, NO Alcohol, NON-GMO. Halal & Kosher certified. GLUTEN FREE.

Active Gold Collagen

Use:

For best results drink 1 bottle (50ml) of Active GOLD COLLAGEN® daily and on an empty stomach for best absorption. Shake the drink well before use and do not exceed the recommended daily dose.
