Description

Description:

Adrien Gagnon Super Energex Plus is a quick energizing formula in capsule-form that specifically targets intellectual performance and mental capacities, with a bonus effect against physical fatigue. An alternative for people who do not like drinkable ampoules.

Benefits:

- Brings an energizing effect thanks to its caffeine content
- Fights mental fatigue, lack of energy, and overwork
- Improves cognitive functions like memory despite stress
- Supports physical performances in cases of physical fatigue

Use:

Adults: Take 2-3 capsules as needed, with breakfast.
