Description

Description:

Advancis® 50+ is a food supplement with vitamins, minerals and prebiotics. With an adjusted content of calcium and selenium, whose needs increase with age. Its balanced composition offer's the maximum vitality from 50 years of age and beyond.

Lutein & Resveratrol

Advancis® 50+ contains Lutein and resveratrol, known for their antioxidant properties that fight aging signs. Lutein protects the eye from visual disorders caused by UV radiations and decreases the risk of macular degeneration related with age (AMD). Besides its antioxidant properties, Resveratrol, also has anti-inflammatory properties, performing an important role as a cardiovascular protector.

Recommended for:

- Vitality and wellbeing
