Description

Description:

Advancis Easylax Kids is a food supplement of natural origin in a syrup form.

Due to its composition, rich in prebiotics, fibers and fruits with mild laxative properties, it promotes a double synergistic action, favoring the regulation of intestinal transit and rebalancing the child's intestinal flora. The prebiotic fibers contribute to the replacement and balance the intestinal flora, promoting the stimulation of child's immune system. Due to its mild laxative action, it can be used in children from 1 year without risk of addiction.

Use:

From 1 year old, take 15 ml at breakfast. From 3 to 6 years, take 15 ml at breakfast and dinner.

From 7 years, take 20 ml at breakfast and 15 ml at dinner. Shake well before use.
