Description

Description:

Advancis Extra Cough Relief Sugar free is a food supplement composed by thyme, Iceland moss, Elderberry, Lavender, Pine, Clove and Oregano. This association of plants is an aid in relieving chesty cough and decreasing the sensation of an irritated throat.

Use:

Children 6-12 years old: take 1 teaspoon (5ml) 3 times daily.

Adults: take 1 dessert spoon (10ml) 3 times daily. The syrup may be diluted in water or juice.
