Description

Description:

With essential oils of mint and menthol, these tablets have a refreshing and toning effect for a pleasant well-being feeling. For tired feet and ankles. Instantaneous action: as of the first bath, the feet are refreshed and rested. The effervescence of the rollers of Akileine bath stimulates the hot foot arch. The essential oil association of mint and menthol refreshes and invigorates for a very fast effect. The phytoactif complex of ginkgo biloba, ruscus, red and horse chestnut vine associated with rutin support the blood circulation of the feet.

Paraben free.

Use:

Drop one tablet into 5 liters of water, soak the feet immediately to benefit from the effervescence, leave for 10 minutes, then dry without rinsing.
