### Description

**Description:**

Akileine Softening Milk Dry Legs and Feet is enriched in Calendula and Vitamin E.

From the first application, skin is instantly softer and moisturised.

The combination Calendula + Vitamin E + moisturising Essential Fatty Acids, hydrates skin and makes it supple, very soft, satiny and smooth.

Alleviates the irritations due to waxing. Fluid formula, non greasy, fast penetration.

**Use:**

Apply on the foot and massage upwards to the ankle. Use as often as needed.
