Description

Description:

The food supplement Propolis Arkocapsules helps reinforce the body's defenses.

The propolis, resinous substance collected by bees from various plants, has antiviral properties, bacteriostatic, fungistatic, anti-inflammatory and healing properties.

Propolis is traditionally used in cases of respiratory diseases such as cooling, tonsillitis, bronchitis, coughs, colds, flu symptoms.

Use:

Take 1 capsule with a large glass of water three times per day, before meals.
