Description

Description:

ARKOPHARMA Royal Jelly is a food supplement with freeze-dried royal jelly. Royal jelly is a substance secreted by bees. It is the exclusive food of the queen which gives it, compared to its congeners, an incredible longevity and a surprising productivity.

ARKOPHARMA Royal Jelly increases tone, stimulates natural defenses, increases the resistance of the body to fatigue, stress and extreme conditions such as cold. It can be consumed by both children and adults.

Use:

Adults : Take 3 capsules daily with a full glass of water at mealtime;

Children from 6 to 12 years old : Take 1 capsule daily with a large glass of water at the time of the meal;

Children from 13 to 18 years : Take 2 capsules daily with a large glass of water at the time of the meal.
