Description

**Description:**

Azinc® Form and Vitality Capsules has been specially formulated to meet the needs of adults and adolescents whose very active lifestyle can lead to overwork , and states of tiredness and transient nutritional imbalances .

**Benefits:**

Vitamins B2, B3, B6, B9, B12, C and iron help to reduce feelings of fatigue and help reduce tone loss.

Vitamins A, B6, C, D, as well as selenium and iron contribute to the proper functioning of the immune system.

Vitamins C and E, manganese, zinc and selenium help fight oxidative stress.

Iron helps good cognitive functioning (memory, concentration ...).

Vitamin B5 helps maintain good intellectual performance.

**Use:**

Adult and teenager from 15 years : Take 2 capsules daily with a large glass of water, preferably in the morning.  
It is recommended a duration of use of one to two months, to renew if necessary.
