### Description

**Description:**

It is time to experience one of the most effectual formulas; Arthrosamine Plus is a highly developed formula targeted and created to support healthy joint functions for peak lubrication and mobility. This unique supplement is considered as a first-line therapy in treating Osteoarthritis, which is associated with ge or wear and tear of the joints.

This powerful combination is fused with Glucosamine Sulfate, Chondroitin Sulfate, MSM and Vitamin C to enhance repair of joint tissue, improve joint function as well as to promote the rebuilding of cartilage in some Arthritis sufferers. Therefore, Arthrosamine Plus plays a leading role in the formation of the ligaments, tendons and other membranes. It also decreases inflammation and increases blood flow, while enhancing the healing process.

**Use:**

Adults, 1 caplet twice daily.
