Description

**Description:**

Aussievit Betacarotene is a source of betacarotene, a carotenoid and precursor to vitamin A. Vitamin A supports normal growth and development. It also promotes immune function and plays a role in the maintenance of eye health and vision. Betacarotene also acts as an antioxidant by protecting the body from free radical damage. No added salt, yeast, gluten or preservatives.

**Use:**

Take one capsule daily, or as directed by your physician.
