Description

Description:

Aussievit Magnesium + Vitamin B6 helps to support general health and well-being. Magnesium is an essential mineral which assists in the production and storage of energy in the body. It may also help to prevent muscular cramps and spasms. Vitamin B6 plays a role in red blood cell production and in the breakdown of protein into energy. It also assists in muscle cramps and spasms. No added salt, yeast, gluten or preservatives.

Use:

Take one capsule daily, or as directed by your physician.
