Description

Description:

The patent 25X fearlessly Dark Bronzer joins powerful Natural bronzers and Autobronzing (DHA) last generation for instant color and super-intense. Technology Black & Blue Blend with Passiflora Blue and Black Tea Extracts, has a soothing and purifying action giving the new youth skin; the active ingredients of Selfish Skin Softeners leave the skin smooth.

These, specifically, patents and complexes of which uses Daringly Black:

- 25X fearlessly Dark Bronzer : Natural Tanning infusions DHA, for a long intense color and extra black.
- Black & Blue Blend : Passion Blue and Black Tea Extracts for a bronze hue and a nourished and moisturised skin.
- Selfish Skin Softeners : Silicone and Aloe Vera smoothes and softens the skin, giving an immediate feeling silky.
- Enticing Hemp Seed Oil : Oil of Cannabis Seeds for radiant skin, rejuvenated and incomparably hydrated.
- Fragrance: Twisted Tropical Punch

Use:

Apply prior to indoor and outdoor tanning.
Wash hands after applying lotion.
