Description

DESCRIPTION:

Improved formula, enhanced with carrot oil, supplies your skin with the natural vitamins, nutrients and enzymes it needs for the darkest tan nature will allow. Premium oils help condition and moisturize the skin so it tans better and stays longer and protect it from the drying effects of wind and water. You will love the silky feel and tropical scent of this blend. For indoor and outdoor tanning.

Exotic Oil® Spray is a high quality product, ideal for outdoor use. Contains no SPF ,so only suitable for more experienced tanners. Already a huge success in the USA, this renewed formula is now also available here. Excellent tanning results for a very attractive price. Spray bottles 237 ml.

Directions:

Shake well before using. Apply generously to all sun exposed areas of the skin. Reapply as needed.
