Description

Description:

Avène Couvrance Compact Foundation Cream SPF30 Corrects severe skin imperfections and evens out the tone of light skin. Fragrance-free, preservative-free, paraben-free.

Available in 4 tints, to make up the fair as well as dark skins. Moreover, it is particularly soft and comfortable and guarantees a good holding of make up. It's water and sweat resistant.

Stands up to water, smudging, and perspiration. Anti-UV protection (SPF30) offers defense against the sun's rays. Does not leave a thick or mask-like appearance.

Can be used on its own or in combination with color correction products

Fragrance-free, hypoallergenic, non-comedogenic.

Use:

Apply your usual moisturiser and let penetrate. Apply with the sponge on your face, after taking it from the box with a sponge. - Dry sponge for a covering finish.

Lightly damp sponge for a more transparent result. Apply from the middle of face to the edges. Wash well the sponge with soapy water after use, and let dry freely.

Indication : Naturally correct the facial imperfections such as vitiligo, angiomas, acne, hyperpigmentations.
