Description

Description:

Avène Couvrance Coral Concealer Stick is designed for use on sensitive skin with imperfections. It naturally conceals excess color imperfections thanks to its intense covering power: the green shade is suited to red imperfections. The yellow shade is designed for blue imperfections. The coral shade conceals brown imperfections.

Features:

-Three shades:

Green, Yellow or Coral*, adapted for different types of skin imperfections.

-Fragrance free

-UV protection

-Long-lasting:

Stands up to water, smudging, and perspiration. Anti-UV protection (SPF20 and SPF30 for the coral shade) to protect against the sun's rays.

Avène Couvrance Coral Concealer Stick

-Easy application thanks to its practical, intelligent design.

Use:

Apply the concealer stick with a brush or with your fingertips. Use your finger to blend by dabbing gently until you obtain a neutral shade.
