### Description

**Description:**

Each Mosaic powder color palette helps mattify, set and sculpt make-up on sensitive skin.

Three color palettes to adapt to all skin tones:

The Translucent palette, with its transparent shades, mattifies the skin tone and sets make-up on fair skin.

The Healthy glow palette sets make-up on dark skin, sculpts fair skin and adds a healthy glow effect to mature skin.

The Bronzer palette, with golden tones, adds a truly natural tanned effect and sculpts make-up.

**Features:**

-Healthy glow

-Fix

-Sculpting

-Sublimate

## Avène Couvrance Natural Glow Mosaic Powder

---

-Matifying

-Three color palettes

Translucent, Natural glow and Sun\*, to adapt to all skin colors. Leaves a silky finish on the skin.

-Captures light evenly.

### **Use:**

Apply the mosaic powder to the face and neck using a large brush. To sculpt the complexion, apply the blush brush to the cheekbones and facial contours.
