Description

Description:

Avene Akérat10 Body Cream

Nourishes, moisturizes and soothes the skin (upper layers of the skin).
Your skin is softer

Its benefits

- Moisturizing: thanks to the combined action of lactic acid and urea, your skin is velvety.
- Keratolytic: eliminates dander with salicylic acid; your skin is smoother.
- Nourishing: nourished, the skin is more supple and more comfortable.
- Soothing: Avene thermal water, soothing and anti-irritating, softens your skin.

Proven effectiveness

This treatment has been tested by 365 people for one month:

- Improvement of the desquamation in 95% of the cases
- Decrease of the sensations of tightness in 90% of the cases
- Sensation of increased comfort over the weeks

Use:

Apply Akérat 10 by massaging gently once or twice a day, emphasizing dry and flaky areas.
