Description

Description:

AVENE Cold Cream Cream is a nourishing and moisturizing daily care for dry, very dry and atopic skin especially babies and children. AVENE Cold Cream Cream is enriched with beeswax with protective properties, it prevents the skin from external aggressions. Cold Cream is combined with vegetable oils that give the AVENE Cold Cream, nutritive properties allowing the skin to regain comfort and flexibility. Tugging and irritation are relieved. AVENE Cold Cream Cream contains AVENE Thermal Water with soothing, anti-irritant and anti-inflammatory properties. AVENE Cold Cream Cream is creamy, rich and slightly scented.

Hypoallergenic, non-comedogenic

Use:

Clean and gently dry the skin, then apply AVENE Cold Cream, massage gently until complete penetration of the cream, once or twice a day.
