Description

Description:

Avene Cold Cream Nourishing Lip Balm

New formula more nourishing

Rich in Cold Cream is a creamy stick that nourishes and protects your lips.

Thanks to its active ingredient sucralfate, it promotes the repair of the epidermis.

Avene Thermal Water and alpha-bisabosol provide your skin with immediate relief.

A creamy and slippery texture at the application for a feeling of intense comfort

The Nourishing Lipstick formula is water resistant, has been tested under cold conditions and is suitable for all the family (from 3 years old).

Hypoallergenic, non-comedogenic

Use:

Use the nourishing lip stick as often as needed.
