Description

Description:

Avène Micellar Lotion Cleanser and Make-Up Remover 400ml delicately eliminates impurities and make-up from face, eyes and lips. It leaves the skin clear, soft and soothed, while guaranteeing a good ocular tolerance. This lotion is based on the principal of micellar particles, which protect skin and carry the active softener.

It is soothing and anti-irritant as extremely rich in Avène Thermal Spring Water. It removes make-up gently with its very soft tensio-active which are organized in micelles. It offers softening properties as on contact with skin, alpha bisabolol is released from micellar particles and carries its softening properties. Enriched in moisturizing* active ingredients, it avoids any cutaneous desiccating and gets a pleasant feeling of comfort, day by day.

Preservative-free. Hypoallergenic and non-comedogenic.

Use:

Apply to face, eyes and lips with a soft cotton pad.
Repeat if needed. No rinsing is required.
