Description

Description:

Avène Hydrance Intense Rehydrating Serum 30ml is recommended to re-moisturize sensitive dry to very dry skin.

It is ideal for sensitive skin dehydrated with tightness, roughness, discomfort, its formula contains a complex of patented Cohederm active ingredients which:

- intensely rehydrates the skin and strengthens it,
- permanently soothes by recreating natural reservoirs of water which concentrate the thermal water of Avène anti-irritant.

The fine lines of dehydration are smoothed. The skin is moisturized, more comfortable and supple. It is soft and luminous.

Non-comedogenic.

Use:

Apply on face, neck, décolleté, alone or before the daily care
