Description

Description:

Cleanance HYDRA Soothing cream offsets the drying and irritating effects of medical acne treatments. Cleanance HYDRA Soothing cream is particularly indicated for oily, blemish-prone skin irritated by drying treatments.

Features:

- MOISTURIZING : Creamy and non-oily, it moisturizes and soothes acne-prone skin while respecting its natural sensitivity.
- NOURISHING : The nutritive virtues of coconut, shea butter and jojoba oil offer long-lasting nourishment to your skin. Its comfort is restored.
- SOOTHING : Avène Thermal Spring Water, soothing and softening, provides your skin with an instant feeling of comfort.

After one month, participants noticed :

A 54% reduction in dryness.

A 43% reduction in skin roughness.

Use:

Cleanse your skin with Cleanance HYDRA Soothing cleansing cream. Apply morning and evening.
