Description

Description:

Lightweight moisturizer provides long-lasting hydration and helps prevent water from evaporating from the skin. Smoothness and luminosity are restored and fine dehydration lines are minimized. Oil-absorbing ingredients reduce shine, for a matte finish.

Features:

- Restores and maintains skin's hydration
- Instant, long-lasting hydration
- Helps prevent water from evaporating from the skin
- Absorbs excess oil for a shine-free finish
- Protects your skin from the sun which causes premature skin ageing.

Use:

Apply in the morning and evening after cleansing.
