Description

Description:

Avène Ysthéal Anti-Wrinkle Skin Renewal Concentrate 30ml is an anti-wrinkles concentrate ideal for the care of the skins having uneven skin texture and complexion, wrinkles and loss of tone.

This anti-wrinkles care contains an unique association of patented actives highly concentrate:

- Retinaldehyde, a benchmark anti-aging active ingredient, to boost cellular activity.
- G.G.O, an anti-aging lipopeptide that protects skin elastin.
- Pre-Tocopheryl, a powerful cell antioxidant.
- Avène Thermal Spring Water, soothing and anti-irritating.

Rapidly, it improves the quality of the skin. Your skin texture is visibly refined, the wrinkles are smoothed and the skin is firmer.

Avène Ystheal Intense Anti-Wrinkle Skin Renewal Concentrate

Formulated with fragrance free.

Use:

Apply in the evening on the face, neck and decollete.
