Description

Description:

Restores density and comfort to your skin which is revitalized and firmed.

Its benefits

- Redensifying: rich in fragments of hyaluronic acid (HAF), it redensifies the fabric of support of the skin.
- Nourishing: it nourishes your skin continuously by reviving the synthesis of lipids thanks to glycolol.
- Regenerating: enriched with arginine, it optimizes the effectiveness of its assets throughout the night.

Proven effectiveness

This treatment has been tested by 66 women aged 60 or over:

- All found, on waking, that their skin was supple, revitalized and firmed.

Paraben-free

Use:

Apply Sérénage Nutri-Redensifying Night Cream every night on the face and neck.

You can first apply Serum Nutri-Redensifying Serum Serum to intensify the effects of night care.
