Description

Avène Tolerance Extreme Emulsion is a hydrating and soothing care with a light texture that preserves skin balance for sensitive skin in need of high-safety care as well as hypersensitive skin in critical need of soothing-care (for allergies, acute irritations, following minor dermatological procedures.)

Moreover, Avène Tolerance Extreme Emulsion contains only essential ingredients that meet the skin's physiological needs. Each ingredient is selected for its cosmetic quality and high tolerability.

Thus, your skin remains sterile as well as protected throughout use and is absolutely free of all forms of preservatives.

Features:

-0% preservative, emulsifier

-Paraben free

Avene Tolerance Extreme Emulsion

-Fragrance free

Use:

Apply morning and evening to both face and neck, after cleansing with Tolerance Extreme Lotion.
