Description

**Description:**

The Balm Nutri-Fluid TriXéra Nutrition is a daily care nutritious high tolerance for use in case of very dry or atopic skin.

Designed to act simultaneously on all components of atopic dryness, surface and deep, it soothes the skin and strengthens the skin barrier. The skin becomes less reactive and scratching decreases.

- Anti-irritating and soothing: Thanks to its wealth of Avène Thermal Spring Water, it quickly reduces irritations and feelings of tightness.

- Moderate cutaneous hypersensitivity: Thanks to selectiose, patented innovation, it moderates the irritation by limiting the influx of the reactive cells at the cutaneous level.

## Avene Trixera Nutri-Fluid Balm

---

- Rebuilds the cutaneous barrier: The bio-mimetic lipid trio provides very dry and atopic skin elements that are lacking (Omega 3, Omega 6, Ceramides, Sterols).

- Decreases scratching: The glycocolle calms the feelings of discomfort.

The Balm Nutri-Fluid TriXéra Avene Nutrition suitable for infants, children and adults.

It is fragrance-free, preservative-free, paraben-free, hypoallergenic, non-comedogenic.

### **Use:**

Apply the balm once or twice a day on the very dry areas of the face and body. Use on previously cleansed skin with Trixera Nutrition Gel.
