### Description

**Description:**

Philips AVENT washable breast pads are lined in soft cotton that's gentle against your skin. On the other side, decorative floral lace creates a non-slip surface, keeping the pad in place inside your bra. Inside the pad, an absorbent core absorbs moisture to keep it away from your skin. A leak-proof liner protects your clothes. These pads can be machine washed and dried inside the included laundry bag.

- Soft cotton lining is gentle on skin
- Lace keeps pad from slipping inside your bra
- Liner keeps moisture away from your skin and clothes
- Can be machine washed and dried
- Laundry bag included
