Ingredients:

HONEY (Mel) is a substance produced by bees from the nectar they gather from flowers. Highly concentrated in vitamins, flavonoids and amino acids, honey moisturises the skin and increases its immunity. These qualities make honey ideal for slowing down the ageing process and boosting the skin's radiance.

BOLDO (Peumus Boldus) is an evergreen small tree native to Chile and Peru. From the bark, we extract the diacetyl-boldine, a powerful antioxidant and cell protector that also whitens skin by controlling its melanin production. Boldo Bark provides strong rejuvenating and anti-ageing effects.

Use:

Use 2x per day (morning & evening).

Apply to damp skin & gently massage in circular motions to cleanse & exfoliate.

2-3x per week, apply as a mask to dry skin & leave for 15 mins. Rinse with warm water in gentle circular motions.

Rinse well, pat dry & follow with Beesline Whitening Day Gel, Day or Night Cream.
