**Results:**

SMOOTH SKIN

UNCLOGGED PORES

## Beesline Express Facial Oxygen Daily Scrub

---

### Ingredients:

HONEY (Mel) is a substance produced by bees from the nectar they gather from flowers. Highly concentrated in vitamins, flavonoids and amino acids, honey moisturises the skin and increases its immunity. These qualities make honey ideal for slowing down the ageing process and boosting the skin's radiance.

OAT (Avena Sativa) flake extract protects and provides relief to the skin. It hydrates and nourishes the skin while fortifying its natural barrier function. Oat Bran is a mechanical exfoliant and absorbent agent. It has excellent anti-irritant and anti-inflammatory, soothing properties.

### Use:

Use daily.

Apply to clean dry skin for intense exfoliation or damp skin for mild exfoliation.

Scrub gently using circular motions.

Rinse with cool water & pat dry.
