Ingredients:

BEESWAX (Cera Apis Mellifera) is a nutritious substance rich in vitamin A, beneficial to cell reconstruction and in specific fatty acids, compatible with skin lipids. Beeswax acts as an emollient and humectant to regenerate and soften skin by drawing moisture to the surface and sealing it in. DAMASK ROSE (Rosa Damascena Oil), when diluted and used over an extended period, can help with broken capillaries. Rose oil also has astringent, toning and anti-inflammatory properties. It is particularly suitable for the sensitive skin around the eyes. It soothes the eye contour and reduces puffiness and dark circles.

Use:

Use 2x per day (morning & night).

Apply using light circular taps with ring finger until fully absorbed.

Do not pull the skin around the eyes.

For immediate results, soak 2 cotton pads with serum and apply on closed eyes. Relax for 10 mins, then remove & massage in the excess product. Repeat 2x day for 10 days.
