Results:

Beesline Express Eye Contour Whitening Mask

BRIGHT EYES
DE-PUFFED EYES

Ingredients:

BEESWAX (Cera Apis Mellifera) is a nutritious substance rich in vitamin A that is beneficial to cell reconstruction and in specific fatty acids compatible with skin lipids. Beeswax acts as an emollient and humectant to regenerate and soften skin by drawing moisture to the surface and sealing it in.

DAMASK ROSE OIL (Rosa Damascena Oil), when diluted and used over an extended period, can help with broken capillaries. Rose oil also has astringent, toning and anti-inflammatory properties. It is particularly suitable for the sensitive skin around the eyes. It soothes the eye contour and reduces puffiness and dark circles.

Use:

Can be used daily.

Soak two cotton pads or eye sheets in the mask.

Place them over closed eyes & leave on for 10 mins.

Gently massage excess into skin until fully absorbed or wipe away residue, do not rinse.
