Ingredients:

HONEY (Mel) is a substance produced by bees from the nectar they gather from flowers. Highly concentrated in vitamins, flavonoids and amino acids, honey moisturises the skin and increases its immunity. These qualities make honey ideal for slowing down the ageing process and boosting the skin's radiance.

ROSEMARY (Rosmarinus Officinalis) is rich in strong antioxidant polyphenols and flavonoids. Rosemary oil provides regenerating, rejuvenating and skin toning properties. It is also considered a powerful antibacterial and antifungal agent.

Use:

Use 2x per week.

Apply a thin layer to cleansed T-zone avoiding eyes, brows & hair.

Leave until dry & then gently peel off the formed film.

Rinse with lukewarm water
