Ingredients:

HONEY (Mel) is a substance produced by bees from the nectar they gather from flowers. Highly concentrated in vitamins, flavonoids and amino acids, honey moisturises the skin and increases its immunity. These qualities make honey ideal for slowing down the ageing process and boosting the skin's radiance.

SEA SALT (Maris Sal) is a purifier. It clears and cleanses the body from bacteria, fungus and odours and penetrates the skin's pores to remove accumulations of toxins that cause muscle fatigue. Soaking in hot water and sea salt after a hard and strenuous day is incredibly soothing, relaxing, and energising.

Use:

Can be used daily on face & body.

Gently lather onto wet skin.

Rinse off with warm water.

Follow with Beesline Moisturising Body Lotion or Beeswax Cold Cream.
