Beesline Royal Jelly Facial Wash

Ingredients:

ROYAL JELLY is the milky-white waxy substance secreted from the glands in the hypopharynx of worker bees and is fed to the larval bees. Highly nutritious, Royal Jelly regenerates the cells and tissues leading to an increased collagen synthesis for tighter, firmer skin. VITAMIN C (Magnesium Ascorbyl Phosphate) provides protection against sun damage, enhances collagen synthesis and inhibits the production of melanin to give rejuvenated flawless and lighter skin.

Use:

Use 2x per day (morning & night).
Lather with water & massage face & neck gently.
Rinse well & pat dry.
Follow with Royal Jelly Day Cream or Night Cream.
