cruelty free

parabens free

petroleum free

Free from colourants, ethyl alcohol, oxybenzone, parabens, petrochemicals, phthalates, silicones and ingredients of animal origin (except bee by-products).

Results:

DEEP TAN

SMOOTH SKIN

Ingredients:

BEESWAX (Cera Apis Mellifera) is a nutritious substance rich in vitamin A, beneficial to cell reconstruction and in specific fatty acids, compatible with skin lipids. Beeswax acts as an emollient and humectant to regenerate and soften skin by drawing moisture to the surface and sealing it in. CARROT ROOT (Daucus Carota Sativa) is rich in beta-carotene (Provitamin A) and antioxidant tocopherols (Vitamin E). Carrot extract keeps the skin firm and healthy by restoring its elasticity and preventing sunburn and skin damage, all while enhancing the natural bronzing process.

Use:

Apply generously on the body before sunbathing.
Reapply regularly, especially after swimming and towel drying.
If you have a fair complexion, mix the oil with Ultrascreen Cream SPF 50.
After showering apply Beesline After Sun Cooling Lotion or Repairing Milk.
