WHITE SAPPHIRE™ is a precious mineral powder from the earth, providing superior optical properties that lighten the skin. It supports a natural and well-balanced complexion, correcting skin imperfections while helping to soothe and comfort skin.

Use:

Use 1x per week or before any special occasion.

Unfold the mask & smooth it out onto clean face & neck. Leave on for 15 mins.

Remove the mask & gently wipe away excess residue or massage in till absorbed.

For optimal results, apply immediately after a hot shower.
