Results:

Beesline Whitening Facial Wash

DEEPLY CLEANSED SKIN
RADIANT & EVEN SKIN TONE

Ingredients:

HONEY (Mel) is a substance produced by bees from the nectar they gather from flowers. Highly concentrated in vitamins, flavonoids and amino acids, honey moisturises the skin and increases its immunity. These qualities make honey ideal for slowing down the ageing process and boosting the skin's radiance.

VITAMIN C (Magnesium Ascorbyl Phosphate) provides protection against sun damage, enhances collagen synthesis and inhibits the production of melanin to give rejuvenated flawless and lighter skin.

Use:

Use 2x per day (morning & evening) before applying daily skincare.

Lather with warm water onto damp skin.

Gently massage in upward, circular motions.

Rinse well, pat dry & apply Beesline Whitening Day Gel or Night Cream.
