Description

Description:

BetterYou™ MagnesiumSkin Body Lotion is an incredibly effective, lightweight formula with a perfect balance of skin kind ingredients. Magnesium Body Lotion contains 30% BetterYou™ MagnesiumOil combined with shea butter, cocoa butter, coconut oil and vitamin E. When used daily this light formulation will moisturise and hydrate skin to promote a healthy skin glow.

The world we live in is tough on skin. That's why we use BetterYou MagnesiumOil as the main ingredient in MagnesiumSkin Body Lotion. A powerful mineral, it is key in helping repair and replenish, improving elasticity and overall skin health. Which means your skin is ready for whatever the day has in store.

The lightweight formulation has been designed for daily all-over application, to hydrate, moisturise and promote a healthy glow. Formulated for topical use and applied directly onto the skin BetterYou MagnesiumSkin Body Lotion is absorbed in to the highly porous epidermis and through to the blood vessels and muscles beneath. Completely bypassing the digestive system where many nutrients are not

absorbed. Transdermal magnesium offers a simple and scientifically proven method of magnesium supplementation.

Features:

- Contains 30% BetterYou MagnesiumOil
- Lighter daily formula ideal for all-over application
- Dermatologically tested
- Promotes healthy, glowing skin
- Developed for daily usage
