Description

**Description:**

Bio Balance Facial Whitening Night Cream revitalizes skin overnight to reduce the appearance of dark spots and skin discolorations to reveal an even, radiant complexion upon waking.

The moisture and vitamin rich formula helps reduce the harmful effects of UV rays and daytime oxidative stress factors at night to improve skin clarity.

Free from: HYDROQUINONE - PARABEN - PHYTALATES - PETROLEUM JELLY - PARAFIN - DYE - SLS - SLES - DEA - MEA

**Use:**

After cleansing, gently massage evenly all over your face and neck. Best applied in the evening before going to bed. Its regular application is recommended to naturally fade the appearance of dark spots and to obtain an even complexion.
