Description

Description:

The exclusive DAF complex is an association of active ingredients which allows to reinforce the tolerance threshold of all sensitive skin.

Enriched with Coco Glucoside/Glyc ryl Ol ate; an active ingredient that mimics the skin structure, Sensibio Gel Moussant has lipid-restoring and moisturising properties.

- Gently cleanses and removes make-up from face and eyes
- Moisturises: +77% hydration*
- Soothes and calms irritations
- 100% excellent skin and eye tolerance
- the skin is clean, soft and comfortable

- Soap-free,
- Fragrance-free
- Paraben-free
- Colorant-free
- Hypoallergenic
- Physiological pH
- Non-comedogenic

Use:

- Apply on wet skin
- Work into a foam.
- Rinse well and gently dry.
- Use morning and/or evening.
