Description

**Description:**

Total Rx 2 Tingle accelerates your tanning color for further advanced tan development. It rejuvenates and replenishes skin's energy and gives a reddened appearance. It calms and soothes skin leaving it healthy and radiant.

**Feaures:**

SkinTherapy Blend contains vitamins and antioxidants to help regulate and replenish skin's energy, leaving skin radiant. Level 10 Hot Action and H.E.A.T Technology increases circulation to give a reddened appearance and a deep dark glow. CuO2 and TRF combine rich ingredients to optimize dark color results. Aloe Vera and Witch Hazel moisturize and tone the skin.

**Use:**

Apply liberally prior to indoor tanning. Wash hands after application.
